KAMAB DM20540

DOB 09/11/2020

“A suburb Vleisberg Quanto son, Quartz is a bull to head-up your breeding team. This beefy bull is structurally correct with great bone & confirmation. Quartz has an impressive set of growth EBVS, from birth to MA. Medium framed; great carcass shape; early maturing type of bull. Out of a strong dam with a great udder, Quartz is defiantly a bull for breeders looking for a team leader or new Stud Sire!”
