Kamab Harry is a promising young sire with great capacity and exceptional width throughout. A Rumba Hitlock son, he is out of the maternal sister to the 2020 Whk show Interbreed Jnr Champion cow, Kamab Stacy. With a low BW EBV he is a safe option to open heifers. Harry is an ideal bull for weaner producers with a very high SRW index.

Seller's remarks / Verkoper se kommentaar:

Another of the well-represented Lemonade sons, Odell can bring width, depth and balance to your herd. Out of a productive Bleka Kovu daughter, Odell is a solid, free moving bull with clean underline and good hair quality. He has good growth and milk EBVs. He has an outstanding EMA EBV and exceptional RBY EBV. More kgs for your carcass.

Seller's remarks / Verkoper se kommentaar:

This POLLED bull by embryo bred sire S-B-A Sensation, is very well muscled with plenty of capacity. Samson is a rock-solid bull and will do well for self-replacing weaner and steer producers. He has a great set of EBVs and is out of a productive Kamab Transformer daughter with an ICP of just 343. Samson is one heck of a bull that will do well for your herd!

By Exito Hercules, Waldo is a curve-bender with good carcass EBVs. A free-moving bull with plenty of capacity, and a clean underline. He has a high SS EBV (proven fertility indicator) and is out of a fertile Jaco daughter whose ICP is just 361. Waldo is not her first son to make it to Auction! Waldo is a great all-rounder and should not be overlooked. We consider him a gem in the group!

S Seller's remarks / Verkoper se kommentaar:

Kamab Freddie is a strong choice to complete Kamabs line of bulls. Another robust son by Ondeka Zack, Freddie is solid-red, long-bodied with a strong head and good legs. Impressive growth and fat EBVs suggest he will excel in a steer producing system. Not recommended to open heifers. Freddie's dam is a pleasing young cow, consistently producing good calves whilst maintaining an ICP of just 370.
